From the Executive Board

CFLA-FCAB First National Forum

Our Association is a member of the Canadian Federation of Library Associations/Fédération canadienne des associations de bibliotèques (CFLA-FCAB). We are all invited to attend their first National Forum, which will take place May 1-2 in Regina, Saskatchewan.

Our invitation reads "The National Forum program is designed to blend informative sessions with challenging roundtable conversations. It will carefully consider and debate Intellectual Freedom and Artificial Intelligence, and how Canadian libraries sustain their critical value of freedom of information in the evolving societal shifts. The day's outcome will be a National Forum Paper informing CFLA-FCAB's positioning. Participate with colleagues from across Canada in focused dialogues that will consider some of the most critical challenges facing libraries. Contribute towards crafting outcomes that will advance the state of libraries and the Federation."

For more details, see our invitation.

Committees and special interest groups (SIGs) are encouraged to make their content publicly available on the website. Members, committees, and SIGs are encouraged to contribute content to the CALL blog and social media channels: Twitter, Facebook, and LinkedIn. This could include articles, resources, announcements, or projects. Please contact Alan Kilpatrick (alan.kilpatrick@lawsociety.sk.ca) or Michel-Adrien Sheppard (michel-adrien.sheppard@scc-csc.ca) to contribute.

The WEB would also like to highlight the exciting wealth of content available on the CALL website.
