### **Activities and initiatives that the committee has completed during this past year:**

- Teleconferences were held on the following dates – September 28, 2018 and February 22, 2019.
- Under the leadership of Yemisi Dina, the Committee organized a one-day workshop at Osgoode Hall Law School entitled Law Librarians on the Leading Edge. Over 40 people attended from all over Canada and all types of libraries. Topics included artificial intelligence, indigeneity and academic law libraries, research metrics, and the legalization of cannabis. We are hoping to make this a bi-annual event.

### **Activities and initiatives that the committee hopes to tackle for the next business year:**

- Collaborative ideas on the creation and sharing of teaching guides and videos for LRW. Will be compiling a list of what is already freely available.
- Compilation of a list of institutional collections, activities, or initiatives being undertaken in response to the recommendations of the Truth and Reconciliation Commission.
- A webinar on a topic of interest to the committee.

Respectfully Submitted,

*Soojin Kim and Alexia Loumankis*
